

Membership and benefits

Join the collective.

Join with FinTech Wales and be a part of shaping the future of the sector in Wales. Ensure that the necessary environment is created that supports your business needs, allowing for resilient growth and success.

As a member you will have access to all our activities, benefit from the work we do and interact with the community. You will input into our sector-based roadmap for Wales, which will identify and overcome innovation challenges, enable funding applications and drive the skills pipeline.

"There is a wealth of FinTech expertise in Wales and FinTech Wales is a crucial initiative that is combining this expertise to further enable growth, through understanding and addressing skills shortages as well as being a hub for the ecosystem that FinTech's need to be successful."

Louise O'Shea,
CEO, Confused.com

Our activities include:

Enabling *Innovation*

- Creating a sector wide roadmap of technology needs for Wales
- Supporting the collaboration of stakeholders from across the development cycle
- Provide engagement with UK Government R&T and R&D bodies to de-risk innovation and development of future products
- Create a more resilient and proactive means through strategic planning

Skills development in Wales

- Address sector resource needs by influencing Wales' pipeline of skills development
- Access to mentorship and training schemes promoted by FinTech Wales
- Integration of your organisation in outreach and promotion of FinTech across the Wales learning community
- Participate in training events organised by Fintech Wales and our partners

Community engagement

- Access the A-List network of people involved with FinTech Wales
- Attendance to FinTech Wales associated events with other relevant businesses and individuals
- Access to funding opportunities and signposting to appropriate investors
- Help and advice from our network of influential experienced members and participants
- Steer suppliers and collaborators to support your future technology roadmaps

Raising *Awareness*

- An online presence for your organisation to make your business visible both nationally and internationally
- Access to jobs boards on partner platforms focussed on the FinTech marketplace
- Inclusion in FinTech Wales marketing activity and social media
- Your needs and opinions heard as a part of the collective message and amplified by FinTech Wales
- Use the power of FinTech Wales voice to get heard by politicians, governments & influencers

Your size of organisation will dictate the specific benefits and the membership level
