

Scale up with Cardiff Capital Region's Business Growth Programme

Be part of our bespoke
business growth programme
for scale up businesses in
the Cardiff Capital Region

Jointly funded by Cardiff Capital Region and the UK Shared Prosperity Fund, this programme will help high potential businesses across the region maximise their potential.

The programme offers high quality bespoke support delivered by **Grant Thornton, Business in Focus and Cardiff Metropolitan University**. It will be focused on the key issues that each participating business is facing and will offer a combination of one-to-one support from specialists, group and peer-to-peer activity, access to new networks, financing and specialist support, research and analysis, and a range of growth models and tools. Support is delivered in two phases.

CCR Business Growth Programme

Available to 75 businesses who will join 2-day workshops run by Cardiff Metropolitan University alongside coaching and tutor support on an individual basis. Participants will have access to Strategy, Sales, Operations, Finance and People Specialists, along with a Support Network and Peer-to-Peer Support. This will culminate in the businesses completing a **Strategic Growth Plan** for their business.

CCR Business Growth Accelerator

Available to 12 of the 75 businesses that demonstrate high-growth potential. All 12 businesses will have expert analysis of the key issues and opportunities for their business. Supported by a dedicated Relationship Manager who will help you accelerate your growth through the right combination of support including one-to-one advice from growth advisors, sector specialists, analyst resource, growth tools and peer-to-peer support.
